The stars were out and sparkling on Tuesday (May 23) as Cannes' most exclusive party took place as the jewel in the Cannes party crown, hosted by DE GRISOGONO. Hollywood stars Antonio Banderas, Pamela Anderson and Mischa Barton were among those walking the carpet. They were joined by singers Rita Ora and Jessie J, and a host of iconic supermodels including Toni Garrn, Sara Sampaio and Ming Xi.

As ever, the real stars of the show were the jewels themselves, with millions of Euros worth of stones being shown off by the night's attendees, selected from a range of more than sixty unique creations, all based around the theme Love On The Rocks. More than 600 guests at the luxury Hotel Du Cap at Eden Roc in Antibes, were treated to an impressive firework display before dancing the night away under the stars alongside De Grisogono founder and the evening's host Fawaz Gruosi.

Entertainment on the night was provided by UK star Jessie J, making one of her first live performances ahead of her new album release later this year. Jessie's chart topper 'Price Tag' kept the star-studded crowd dancing well into the night, while also proving an apt reminder of the value of the jewels around their necks!
